

Create, Play & Explore

School Holiday Program (Kindy to Year 3)

This group is for school-aged children in Kindy to Year 3 looking to participate in a range of STEM activities and create new friendships in a supported environment. The group uses everyday experiences that encourage children to problem-solve, engage and explore in a comfortable and supportive setting.

Objectives

Community participation opportunity for children to develop their interests through exposure and social participation in everyday activities including:

- STEM activities
- arts and crafts
- movement-based games and activities
- cooking, baking and food experiments!
