October Newsletter

A message from Ellen

As we step into the final stretch of the year, I look back with pride on what's been achieved and forward with excitement to what's still to come.

This month's newsletter is packed with highlights, upcoming opportunities, and a few last-minute reminders. Whether you're joining us at Ladies Night, coming along to a group program, or simply following along with our news, your support helps us continue creating inclusive spaces for children and families.

Thank you for walking alongside us. I hope you enjoy reading and find something to connect with in this edition.

Ladies Night

It's almost here! A Night in Tuscany is just weeks away and tickets are nearly gone. If you can't join us this year, you can still support our work by making a donation. Every contribution helps us continue our programs that support local families.
