A MESSAGE FROM

Ellen

As we head into the middle of the year, I'm reminded that some of the most meaningful impact happens quietly, through everyday moments of support, connection and community.

While May was a relatively calm month for us, we were delighted to host our two-part online PDA workshop with Sarah Lovett. Thank you to everyone who joined us. The response from families and professionals highlighted just how valuable opportunities like these are in building understanding and helping children and young people thrive.

Behind the scenes, our team has also been busy preparing for our mid-term NDIS Audit. As a proud registered NDIS provider, we welcome the opportunity to demonstrate our commitment to quality, safety and continuous improvement. Maintaining registration reflects our dedication to providing families with services they can trust.

In this edition, you'll find information about our EOFY Appeal and our upcoming Inflatable World event during the July school holidays. Every fundraiser, event and conversation helps us continue providing early intervention, parent education and inclusive experiences for local families.

Thank you for being part of our community and for helping us create brighter futures for children and families who need support. Whether you attend an event, share our message or make a donation, your support makes a genuine difference.

— Ellen Kulbicki, CEO

LATEST news

Can you help us, help more families?

This End of Financial Year, we're asking our community to help more children and families access the support they need, when they need it most.

For families like Arun and Maya's, early intervention has been life changing. Through therapy, group programs and inclusive community events, their son Kiaan is building confidence, communication and connection, and their family has found hope for the future.

Together in 2025, we supported 336 children and families through therapy, screened 119 children for developmental delays, and welcomed hundreds more to inclusive events and parent education opportunities.

Every donation helps create brighter futures for children and families in our community.

Help more families access life-changing support before June 30.

Join us at Inflatable World this School Holidays!

Looking for a fun and inclusive school holiday activity?

Join us at Inflatable World Dural for an exclusive after-hours event for children aged 0–12 years with disabilities or who are neurodivergent, along with their siblings. Families will enjoy full access to the inflatable playground in a supportive environment, with a Sensory Breakout Space available and STF staff onsite throughout the evening.

This popular event takes place on Thursday 16 July from 5:00pm–7:00pm. Places are limited and bookings are essential.
