A MESSAGE FROM

Ellen

August is here, and there's plenty happening at Stronger Together Foundation as we look towards another busy few months ahead.

With the next school holidays not too far away, we have some wonderful opportunities for children to connect, build confidence and have fun. Our **Create, Play & Explore** program will be back with STEM activities, arts and crafts, movement, cooking and more, all in a fun and supportive environment. We're also bringing back our **Stronger Sibs Day Camp**, created especially for siblings of children with additional needs, giving them a day that's all about connection, fun and being with others who understand their experiences.

We're also excited for **Wild at Heart, our 2026 Ladies Night**, in October. Tickets are now on sale and we're incredibly grateful to our Community Sponsors, [Fusion Careers](#) and [McCall](#), for getting behind this special event. We're still looking for a Major Sponsor and one additional Community Sponsor, so if you know a local business that may like to be involved, we'd love to hear from you.

This month we're also sharing some practical resources and information for families, including our latest blog celebrating books that embrace neurodiversity.

As always, thank you for being part of the Stronger Together community. Whether you attend a program, share one of our resources, come along to an event or simply follow what we're doing, your support helps us continue creating opportunities for local children and families.
