A MESSAGE FROM

Ellen

The start of Term 4 is a lovely opportunity to reflect on the connections being built across our STF community. From families enjoying an evening at Inflatable World to children finding friendship and shared understanding at our Stronger Sibs Day Camp, there is so much value in having space to play, feel comfortable and belong.

Our Wild at Heart Ladies Night offers another opportunity to connect, this time over a delicious meal, a glass of wine and an evening of entertainment at Entrata. With just a week to go, we'd love you to join us. Come with friends or come on your own and let us introduce you to some lovely women in our community. Every ticket also helps us create more opportunities for local children and families to connect and feel included.

In this edition, we also celebrate Elle as our Staff Member of the Term, recognising the care and support she brings to children, families and her fellow therapists. We're also looking forward to welcoming Em Hammond from NeuroWild back in November for our online workshop on neurodiversity-affirming practices.

Thank you for being part of our community. I hope to see many of you at Ladies Night!

Exclusive Family Event

Inflatable World Dural

On Thursday 8 October, families enjoyed an evening of bouncing, climbing and play, with exclusive venue access and a sensory breakout space. Siblings shared in the fun, with room for every child to take part at their own pace.

Stronger Sibs Day Camp

From New Faces to Friendships

At our recent Stronger Sibs Day Camp, children built friendships through outdoor adventures, games and shared experiences. From canoeing and laser tag to dedicated "Sibs time", there was space to have fun, talk about life with a sibling with disability and connect at their own pace.
